Erling Viksjø "Conglo" Table

Norway, c. 1960s

19.75 x 55.25 x 31.75

\$16,500

Erling Viksjø was a Norwegian architect and designer best known for his brutalist architecture and furniture using concrete and stones. This unique terrazzo coffee table from the 1960s is made of concrete, Norwegian stones, and rosewood.
